LATEST CLUB NEWS

Beyond Bank's Community Rewards Account is a special way for individuals and businesses to give to not-for-profit organisations like ours.

You simply open a savings account and nominate Tuggeranong Valley Cricket Club as the organisation you want to support. On your behalf, and at no cost to you, every year Beyond Bank will then donate a percentage of the annual average balances in these Community Reward Accounts to our club.

So the more supporters who nominate the Club as their beneficiary and the more they save, the more Beyond Bank gives back to us.

Since 2002, Beyond Bank has distributed more than \$2 million to sporting, educational, health and community groups across the ACT, NSW, South Australia and Western Australia.

For local sporting associations like us, these funds can help keep our club running and growing. When enough supporters get behind a not-for-profit in this way, they can raise enough money to meet their annual costs or undertake special projects. Last year a regional football club received a bonus payment of over \$20,000 through the Community Rewards Account.

Beyond Bank calls it 'snag free' fundraising as it could mean we never have to man another sausage sizzle or sell raffle tickets again.

So tell your friends, tell your family and visit a Beyond Bank branch to find out how you can contribute to our club just by putting your savings in a Community Rewards Account.

Total Washout!

No play last week due to torrential rain across Canberra!!!

With only one round remaining in the one day comp, 2nd Grade are currently top of the table 3 points clear of Wests. A win against ANU this week will secure the 2's top spot on the ladder and a home final!

3's have been hurt by last week's washout and will require a double bonus point win, a massive quotient boost and other results to go their way. Miracle at ANU South anyone?

1's and 4's are unfortunately already out of finals' contention...

Race 2 – The Good Guys Stakes – Group 3 - 1500 Metres – 8.00pm

<p>1 - The Dodger (1) Bay Stallion By: Salad? Out of: No thanks Gets the one saddlecloth in this race. Experienced campaigner who gives the impression that he may have one more big performance in him that could come at any moment. Mixed form recently and may struggle to run out the trip – Prefer others</p>
<p>2 - Well Batted Huey (2) Black Colt By: NOT!!! Out of: Pest Resuming. Was taken to the UK to have a red hot crack at the poms at Ascot with some success. Normally that quality of overseas form would hold up well here; however a very limited preparation has seen him miss most lead up races this season. Barrier trial form also hard to follow as sectional times were recorded on the non-official “Spanish wristwatch” time piece...</p>
<p>3 - Boncrusher (3) Angry Stallion By: Cranky Out of: Just need to get to know him Another veteran lining up for his last start before retiring to stud (he has had more farewells than John Farnham!) Has been doing plenty of pool work at Casa de la Conder Lodge so should freshen up for this. Has caught the eye of certain experienced judges due to his well-developed foreleg ‘guns’ – Take on trust.</p>
<p>4 - Casino Dancer (4) Black Colt By: CMC Out of: Two Pair o’ fives Probably the most underrated starter in this field (just ask him!) Always on the fringes of higher quality meets and his owners feel he deserves a spot more than other established runners so have paid the late entry fee (cheque still pending). To be fair has won his last two starts in Group 5 company with ease – Knock out chance at big odds</p>
<p>5 - Pav Queen (5) Brown Filly By: Lunch Out of: Never in doubt Outstanding young Filly contesting her third cup. Has had a change in trainers since last start after some unfortunate visa issues saw head trainer of Tuggette lodge Gareth “Shower time” Wade denied entry to the country. Has had an enforced spell lately and will be firing fresh first up. Right in this.</p>
<p>6 - Frank the Tank (6) Red Colt By: Needs water Out of: Sunscreen Aggressive type that has been around long enough to be considered experienced yet not yet in the veteran category. Has been dominating in Group 2 company this campaign however his owners have held off on a tilt at Group 1 glory. Could tonight be his night?</p>

I would like to achieve a change in attitude towards training and playing especially in the top grades, continue to rebuild the culture through the entire club off the field, help develop some of the younger players and hopefully get them to realise their potential and win a few 2 day cricket matches.

Couldn't decide between these 2 pearlers;

Eastlake wouldn't concede a 3 day semi-final , so Oz (club legend) took the keeping gloves off and bowled an over of off-spin, calling two blokes over to the far screen in the process. He switched the sight screen every ball except for the last but the two Eastlake lads had already moved it and had to take it back. The over must have taken 5 minutes and the game was called straight afterwards, but not before Grant Miller made some threatening and entertaining gestures towards the Eastlake dugout.

Chris Russo turning up to a SCG cup game against QBN after being on the booze all night. Put his kit in the wrong room at KT Memorial, then had to retrieve it while the entire QBN team was in there. In the field he was at mid-off on the circle when an absolute tracer bullet headed in his direction. Russ managed to get both hands up but the ball burst through narrowly missing his face and went one bounce over the boundary. He was then sent to the boundary where the club secretary delivered him Panadol. Russo thought he had hit the

jackpot standing in the shade only for the skipper , Billy Floros, to move him 4m to his left so he was exposed to the blazing sun.

How would you spend your last \$20?

Probably on a spinnerbait so I could catch a few more Murray Cod.
